AI Engineer transitioning from 8 years of teaching experience with hands-on experience building Generative AI applications using Python, FastAPI, Hugging Face Transformers, Whisper, Llama 3.1, LangChain, FAISS, ChromaDB, and PyTorch. Passionate about developing production-ready LLM applications and scalable AI systems

Education

March 2012	Class 'X', D.A.V Public School Unit - 8 Bhubaneswar, CGPA : 10/10
March 2014	XII Science, D.A.V Public School Unit - 8 Bhubaneswar, Percentage : 93.6
May 2018	B.Tech in Industrial Design Engineering, National Institute of Technology, Rourkela, CGPA : 6.98/10

Projects

AI Call Intelligence Backend

- Built an AI-powered backend for call transcription and summarization using FastAPI, Whisper, Llama 3.1, and Hugging Face Transformers.
- Developed REST APIs for audio upload, speech-to-text transcription, and AI-generated meeting summaries.
- Integrated Whisper ASR and Llama 3.1 to automate transcription and summarization workflows.
- Optimized inference pipeline for CPU execution with optional GPU acceleration

AI Mock Interview Platform

- Developed an AI-powered mock interview platform using Python, Streamlit, and OpenAI GPT-4o.
- Engineered prompt-based interview simulations tailored to candidate experience, skills, job role, and company.
- Implemented real-time streaming responses, conversational memory, and automated interview scoring with personalized feedback.

Technical Skills

Languages: Python, SQL

ML & AI: Scikit-learn, PyTorch, Transformers, Hugging Face, Llama 3, Whisper, LangChain, RAG, Prompt Engineering

Vector Databases: FAISS, ChromaDB, Pinecone

Backend: FastAPI, REST APIs

Databases: SQL

Work Experience

Summer 2017

Internship in Rourkela Steel Plant

July 2018 - April 2020

IIT/NEET Faculty at BASE Educational Services(A subsidiary of Resonance Eduventures)

Worked as Chemistry faculty for IIT-JEE/NEET coaching

April 2020 - November 2023

Online Educator for JEE/NEET, Class - 9, 10, 11, 12 at Jio Embibe

- Taught Chemistry live on the following youtube channels of Embibe as well as on the website: Embibe.com
  -JEE Youtube channel class link:
  https://www.youtube.com/live/DCjYUG3rNnQ?si=NHU8QrbfthUu1k4R

-Developed content in the form of lakhs of questions and tests at JEE/NEET, K-12 level and lead a team of content developers

-Wrote and corrected scripts for hundreds of videos on Embibe platform

-Compared our product (Embibe) with competitors and helped in product development

-Helped in acquisition of companies(M - Learning) and selection of companies like BoClips as vendors by giving feedback regarding their content

November 2023 - March 2026

Master Teacher(Online Educator) in Chemistry for Class 6 - 12 at ODA Classes

-Made powerpoint for live classes of classes 6 - 12, SPOC of test creation, used automation with limited resources, to make tests more reliable, my intro link : https://www.odaclass.com/teacher/19013235

-Delivered lectures on the same(Tens of thousands of students, improved class average and produced toppers)

-Class 11 demo:
